- (b) any misrepresentation, misstatement or omission with respect to any statement made in the Bid Documents or any document furnished by the Contractor in connection therewith;
- (c) any breach of duty, obligation or requirement under the Bid Documents;
- (d) any failure to provide notice to any party as required under the Bid Documents; or
- (e) any failure to act in such a manner as to protect the District from loss, cost, expense or liability.

This indemnity shall survive termination of the contract or final payment thereunder. This indemnity is in addition to any other rights or remedies which the District may have under the law or under the Bid Documents. In the event of any claim or demand made against any party which is entitled to be indemnified hereunder, the District may in its sole discretion reserve, retain or apply any monies due to the Contractor under the Bid Documents for the purpose of resolving such claims; provided, however, that the District may release such funds if the Contractor provides the District with reasonable assurance of protection of the District's interests. The District shall in their sole discretion determine whether such assurances are reasonable.

10. Contractor shall take out, prior to commencing the services, and maintain, during the life of this Agreement, the insurance coverages set forth in the Information for Bidders.

Contractor assumes exclusively the responsibility for the acts of its employees as they relate to the services to be provided during the course and scope of their employment. Contractor, its agents and employees shall not be entitled to any rights or privileges of District employees and shall not be considered in any manner to be District employees. Contractor shall receive no compensation and shall repay District for any compensation received by Contractor hereunder, should Contractor aid, abet or knowingly participate in violation of this Article 5.

ARTICLE 6. NOTICE OF TAXABLE POSSESSORY INTEREST

The terms of the Agreement may result in the creation of a possessory interest. If such a possessory interest is vested in a private party to the Agreement, the private party may be subjected to the payment of property taxes levied on such interest.

Government Code section 4552 provides:

“In submitting a bid to a public purchasing body, the bidder offers and agrees that if the bid is accepted, it will assign to the public purchasing body all rights, title and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. This assignment shall become effective at the time District tenders final payment to the Contractor, and Contractor shall require assignments from all subcontractors to comply herewith.

ARTICLE 8. OTHER CONTRACTS

(a) District reserves the right to award other contracts in connection with food services delivery trucks. Contractor shall properly coordinate its services with any such contractors.

(b) Contractor shall ascertain to its own satisfaction the scope of the services and nature of any other contracts that have been or may be awarded by District to the end that Contractor may perform services in the light of such other contracts, if any.

(c) Nothing herein contained shall be interpreted as granting to Contractor an exclusive contract. Contractor shall not cause any unnecessary hindrance or delay to any other contractor.

(d) District shall not be responsible for any damages suffered or extra costs incurred by Contractor resulting directly or indirectly from award or performance or attempted performance of any other contract or contracts for providing district vehicles, or caused by any decision or omission of District respecting the order of precedence in performance of contracts.

Agreement, such notice to contain the reasons for such intention to terminate, and unless within ten (10) calendar days after the service of such notice such condition shall cease or such violation shall cease, or arrangements satisfactory to District for the correction thereof be made and corrective action commenced in a diligent and workmanlike manner and pursued to satisfactory completion, this Agreement shall upon the expiration of said ten (10) calendar days, cease and terminate. In such case, Contractor shall not be entitled to receive any further payment.

(b) Time is of the essence in this Agreement.

In the event that sufficient funds are not appropriated to complete the services or the District determines that sufficient funds are not available to complete the services, District may terminate or suspend the completion of the contract at any time by giving written notice to the Contractor. In the event that the District exercises this option, the District shall pay for any and all services completed. District may, without cause, order Contractor in writing to suspend, delay or interrupt the services in whole or in part for such period of time as District may determine. Adjustment shall be made for increases in the cost of performance of the Agreement caused by suspense, delay or interruption.

(e) The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to the District.

(b) Certificates and insurance policies shall include the following:

(1) A clause stating:

(b) District shall give Contractor prompt written notice after discovery of any defective services or equipment.
