

**GARDEN GROVE UNIFIED SCHOOL DISTRICT**  
Office of Personnel Services  
Announcement of Application and Screening for Position of:

**7-12 Teacher on Special Assignment: Strategy/Effective Instruction Coach**

**Background:** The district believes that success in achieving its mission for students is entirely dependent on strong teams of teachers, support staff, and school leaders. To this end we are looking for a proven instructional leader to serve on our instructional team. We are passionate about preparing our culturally and linguistically diverse students for college success and beyond and searching for a proven teacher leader who:

**BELIEVES:**

- All students can succeed
- Culture and language are teaching and learning assets
- Schools, parents, and the community are partners for the success of all students
- In the shared values, beliefs, and attitudes that inspire others to higher levels of performance

**POSSESSES:**

- Background in and knowledge of effective instructional strategies, with an emphasis on meeting the needs of diverse and English Language learners
- Training and experience in instructional delivery, Effective Instruction and related strategies, such as GRR (Gradual Release of Responsibility), scaffolding/differentiation and use of AVID strategies
- Experience in assisting teachers with Effective Instruction
- Demonstrated leadership at the site and district level
- Strong facilitation skills
- Technology skills

**IS PREPARED TO:**

- Provide in-class support including demo lessons and co-planning/co-teaching for new & tenured teachers in Effective Instruction
- Serve as a resource for effective Instructional Delivery across content areas, with an emphasis on supporting English Learners via Systematic ELD and Constructing Meaning using scaffolding and ELD
- Conduct school visits and work with other TOSAs and departments to provide teachers with professional development, strategies, content & common core implementation
- Plan and implement after-school professional development
- Work on necessary projects, lead summer institutes and provide training during Super Week for extra duty pay

**Requirements:**

- A teaching credential
- Proven leadership experience

**Salary:**

- Teacher salary scale plus stipend

**Application Procedure:**

- Letter of application providing evidence of training and experience in each of the outlined areas above
- List of immediate supervisors during the past three years

**Screening:**

- Applications will be screened before interviews are arranged. Those candidates to be interviewed will be notified.

**Closing Date for Applications:**

Applications will be accepted until **5:00 p.m. on Tuesday, October 24, 2017**

Submit Applications to: Garden Grove Unified School District
