**The School Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California Education Code sections 41507, 41572, and 64001 and the federal Elementary and Secondary Education Act (ESEA) require each school to consolidate all school plans for programs funded through the ConApp and ESEA Program Improvement into the SPSA.**

**The following Plan components are addressed in the School Plan for Student Achievement as indicated below:**

**SECTION A (Sections 1 – 4 will be addressed through the process of data analysis and completion of the Action Plan)**

**(1) Data Analysis Tool: Comprehensive Needs Assessment**

The Data Analysis Tool includes district and site-level data for to support the analysis of school performance and progress. Data is aligned to our District’s Strategic Plan and Local Control Accountability Plan (LCAP).

**Data Analysis, Program Analysis, and Needs Assessment**, includes data such as the following:

- Academic performance data to determine student needs, State Standardized Assessments
- Adequate Yearly Progress (AYP) performance data for all students and subgroups are used to develop the instructional support program
- California English Language Development Test (CELDT)/ English Language Proficiency Assessment for California (ELPAC) data
- District Benchmark exams
- After school program data
- School climate and safety data, including California Healthy Kids Survey (CHKS)
- Strategic Plan Survey (Student, Staff, and Parent), Parent Needs Assessment
- Input from stakeholders (advisory committees, parents, community, etc.)
- The relationship between professional development and the successful implementation of core programs or interventions
- Evidence of implementation of monitoring activities in SPSA

**(2) Data Review: School Plan for Student Achievement Annual Evaluation**

The means of evaluating the progress of programs toward accomplishing the goals, including determining whether the needs of all children have been met by the strategies used, particularly the needs of low-achieving students and those at risk of not meeting state academic content standards. Monitoring of SPSA action plan and progress toward goals.

- **Highlight Strengths:** Which data reflected strengths for your school? Which prior year action steps have contributed to these areas of strength?
- **Highlight Areas for Growth:** Which data reflected areas of growth needed for your school? How will these areas for growth be addressed in your action steps and

supported by your school's budgeted expenditures? (*new or refined programs, strategies, activities, etc.*)

- **Other Key Findings:** What does your overall data show regarding progress towards goals?

### **(3) District Goal Statements**

School goals to meet the identified academic needs of students. A plan that is consistent with the LEA Plan, aligned to the GGUSD Strategic Plan and LCAP.

- **Goal 1:** All learners will develop the academic skills necessary for continual individual growth towards mastery of standards.
- **Goal 2:** All learners will develop the personal skills necessary to achieve academic and social goals.
- **Goal 3:** All learners will be prepared for lifelong success in their intended career paths.

### **(4) Action Steps / Schoolwide Reform Strategies (Planned Improvements in Student Performance)**

**Activities to reach school goals that improve academic performance of students includes:**

- Opportunities for all students to meet proficient and advanced levels of achievement in state standards
- Use of evidence-based instructional methods and strategies that:
  - Strengthen the core academic program in the school
  - Increase the amount and quality of learning time and help provide an enriched and accelerated program
  - Deliver an instructional program that provides extended learning time and minimizes removing students from the regular classroom during school hours
  - Include strategies for meeting the educational needs of historically underserved populations
  - Addressing the needs of low-achieving students and those at risk of not meeting state academic content standards
  - Provide effective programs for English learners
  - Address how the school will determine if such needs have been met
  - Are consistent with the state plan and LEA plan
- Instruction by highly effective teachers
- High-quality and ongoing professional development for teachers, principals, and paraprofessionals
- Strategies to attract highly effective teachers to high-need schools
- Strategies to increase parental involvement – detailed in Section B
- Plans for assisting preschool children in the transition from early childhood programs to local elementary school programs
- Measures to include teachers in decisions regarding the use of academic assessments to provide information on, and to improve, the achievement of individual students and the overall instructional program
- Effective, timely assistance for students who experience difficulty in attaining the proficient or advanced level of academic content standards
- Coordination and integration of federal, state, and local services and programs
- Start and completion dates for each action or indication of timeline and target dates

## **SECTION B**

### **School Parental Involvement Policy (SPIP)**

- Strategies to increase parental involvement, including providing individual academic assessment results in a language the parents understand and an interpretation of those results
- Submission to the LEA of any parent comments of dissatisfaction of the SPSA or the Parental Involvement Policy.

## **COMMON PAGES (SECTIONS C THROUGH F)**

## **SECTION C**

**Centralized Services and Support for Planned Improvement in Student Performance**

- Identify direct services to students and educational support services to school staff provided by district office staff from categorical funds allocated to the school

**SECTION D**

**Budget Information**

**Programs Included In This Plan**

- Identify the state and federal categorical programs in which the school participates and, when applicable, allocations to the school

**Capital Outlay and Equipment & Site-LCFF Expenditures**

- Describes funding source and justification for capital outlay expenditures

**Categorical Personnel**

- Lists positions, funding source, and justification of categorically funded personnel

**Budget Planning Tool**

- Expenditures of funds allocated to the school through the Consolidated Application
- Coordination and integration of federal, state, and local services and programs
- Proposed expenditures and estimated costs for each action in the plan and funding source

**SECTION E**

**School Site Council and English Learner Advisory Committee**

- Establishment of the School Site Council (SSC) & Roster
- Establishment of the English Learner Advisory Committee (ELAC) & Roster

**SECTION F**

**Recommendations and Assurances**

- Recommendations and Assurances: Signatures verifying assurances
- Plan Approval Page: Recommendation of the SPSA to the district governing board for review and approval

**GUIDELINES FOR MODIFICATIONS TO THE PLAN**

**LIST OF REASONS FOR MID-YEAR REVISIONS**

- A major service or activity proves ineffective, and students are at risk.
- Material changes occur that affect the academic programs.
- Staff, equipment, or materials essential to the plan cannot be procured.
- School boundaries or demographics suddenly change. An activity is found to be non-compliant with state or federal law.
- A planned activity is not supported by staff, parents, or students.

**PROCEDURES FOR MID-YEAR REVISIONS**

- Revise the plan, as needed
- If revising Capital Outlay, use the Capital Outlay Plan Modification Form
- SSC approves revision
- Send modification form and minutes of SSC meeting showing approval of revision to K-12 Educational Services

## PROGRAM IMPROVEMENT REQUIREMENTS

The following elements in Title I, Part A, Section 1116, for PI are addressed in the School Plan for Student Achievement as indicated below:

Required PI Plan Elements	Section(s) addressed in Plan
<b>1. Evidence-based Research</b> – Strategies based on scientifically-based research that will strengthen the core academic subjects in school and address the specific academic issues that caused the school to be identified for PI.	Section A (4)
<b>2. Successful Policies and Practices</b> – Adoption of policies and practices concerning the schools core academic subjects that have the greatest likelihood of ensuring that all students (and student subgroups) enrolled in the school become proficient.	Section A (4)
<b>3. Professional Development (PD)</b> A minimum of 10% of Title I funds will be used each year that the school is in PI for the purpose of providing high quality professional development of teachers and principal.	Section A (4) and D
PD meets requirements for qualifications of teachers and paraprofessionals.	Section A (4)
PD affords increased opportunity for participation.	Section A (4)
PD directly addresses the academic achievement problem that caused the school to be identified for PI.	Section A (4)
<b>4.</b> How funds (10%) reserved for professional development will be used to remove the school from PI status.	Section D
<b>5.</b> Description of <b>Specific, Annual Measurable Objectives</b> – Developed for each of the student subgroups and in accordance with the state’s measure of AYP.	Section A (1)
<b>6. Shared Responsibility for Improvement</b> – Specify the responsibilities of the school, the LEA, the SEA, and a description of the technical assistance and fiscal responsibilities to be provided by the LEA.	Section A Section C
<b>7. Parent Involvement</b> – Strategies to promote effective parental involvement.	Section B
<b>8. Extended Learning</b> – As appropriate, activities before school, after school, during the summer and during any extension of the school year.	Section A (4)
<b>9. Incorporation of a Teacher Mentoring Program</b> – Support for teachers and Induction Program	Section A(4) & C

### To be included with SPSA for Title I PI Schools

<b>GOAL 1 Data Review</b>
---------------------------

As you review your Goal 1 data, consider your school's performance relative to the districtwide averages and previous year performance. These may require reviewing data from previous years or accessing additional data. Respond to the following key questions:

Key Questions	Analysis
<p><b>Highlight Strengths:</b> Which data reflected strengths for your school?</p>	<p>2016-17 SBAC ELA students met or exceeded is at 50% and DO is at 59%. Each year Brookhurst has grown from 31% in 2014-15 school year to 46 the following year and is currently at 50% as measured in the 2016-17 SBAC. In looking at the last 3 years, DO has grown by 10% while Brookhurst has grown by 19%. The number of students (including students who are EL and SDC) meeting or exceeding in ELA as measured on the SBAC continues to grow.</p> <p>Brookhurst shows a 2% decline in the area of Math as measured on the 2016-17 SBAC just like the district. In the 2014-15 school year, the number of students meeting or exceeding was at 27%. The following year Brookhurst grew to 42% and is currently at 40.58 showing a 1.42% decline. Although Brookhurst declined slightly (1.42%) when comparing to last year, the district also shares a 2% decline. In addition, overall Brookhurst is taking steps to close the achievement gap (when comparing 2014 to 2017).</p>
<p>Which prior year action steps have contributed to these areas of strength?</p>	<p>A focus on research based strategies/ district initiatives and a school wide commitment to these initiatives.</p>
<p><b>Highlight Areas for Growth:</b> Which data reflected areas of growth needed for your school?</p>	<p>The 1.4% decline in the area of Math reflects the 2% decline in Math district wide.</p>
<p>How will these areas for growth be addressed in your action steps and supported by your school's budgeted expenditures? (new or refined programs, strategies, activities, etc.)</p>	<p>The ILT took stock of curricular district initiatives and came up with strengths and next steps in the area of ELA, Reading, Math and ELD. Each ILT rep. facilitated grade level collaboration in order to get further input as to strengths and next steps. These posters were then displayed in the lounge for 3 weeks to gather further input. These "next steps" will guide staff meetings, further ILT meetings and other professional development opportunities. This year, EL students take a new assessment ELPAC (which replaces the CELDT). Data from this year's test will also help to inform professional development for this year and next school year. This year, Brookhurst has focused on rigor by incorporating more Lucy Caulkins into the Effective Writing Block. Giving students opportunities for productive struggle and taking ownership of ideas has also taken center stage in Math lessons and during ELA (SGRI). In addition, as an ILT the staff took a look at IAB to better prepare students in terms of rigor, and navigating the technology. Corey from Eval &amp; Research came out to help staff get results from IAB which would allow each grade level giving the SBAC (3rd-6th gr) an opportunity to identify next steps in preparing students for SBAC. Teachers in 3rd - 6th gr can now integrate IABs into their instruction to better prepare students with rigorous grade level work as measured on the SBAC.</p>
<p><b>Other Key Findings:</b> What does your overall data show regarding progress towards goals?</p>	<p>Taking a closer look at the 2017 data by grade level shows that every single grade (except 3rd gr) has beaten the state average in both ELA and in Math for students meet or exceeding. In 2017, 4th grade beat both the state and district average. 5th and 6th grade also beat the state average for student meeting or exceeding AND only had a difference of 4% when compared to the district average. In 2017 third grade did take a decline of 7% when compared to the state average and a decline of 15% when compared to the district average.</p> <p>In Math, 4th - 6th gr beat the state average in both ELA and in Math</p>

## GOAL 2 Data Review

As you review your Goal 2 data, consider your school's performance relative to the districtwide averages and previous year performance. These may require reviewing data from previous years or accessing additional data. Respond to the following key questions:

Key Questions	Analysis
<p><b>Highlight Strengths:</b> Which data reflected strengths for your school?</p>	<p>SSC Team met on Feb 27, 2018 to analyze goal 2 data. In comparing the last three years, Brookhurst school continues to show strong data in all areas of Goal 2. The SSC meeting minutes reflect parent comments and concerns that center around the following: growth mindset (attitude toward learning Goal 2A) and climate (maintaining a positive and safe learning environment Goal 2C).</p>
<p>Which prior year action steps have contributed to these areas of strength?</p>	<p>The school has implemented a PBIS approach to discipline, student award assemblies are aligned to the district Goal 1 via Scholar Awards and Goal 2 via Inspire Awards. Both award types are the same for primary and upper grade. Both awards focus on "continued improvement" instead of earning a particular score on a test (benchmark/SBAC).</p>
<p><b>Highlight Areas for Growth:</b> Which data reflected areas of growth needed for your school?</p>	<p>Brookhurst needs a multi tiered intervention for behavioral issues. With a blended special ed program for next year, there is an increased urgency to establish interventions for students with behavioral issues. Although the school data shows positive results for school climate and safety, the recent news on school shootings highlight the importance for Brookhurst to revisit emergency procedures beyond the fire and earthquake drill.</p>
<p>How will these areas for growth be addressed in your action steps and supported by your school's budgeted expenditures? (new or refined programs, strategies, activities, etc.)</p>	<p>The REMS plan has been reviewed and updated. Additional time is needed to revisit the run, fight, hide video from BGC at the elementary level so that teachers can better plan for this particular type of scenario (Active Shooter). Also, needed is to review the Shelter In Place procedure vs. a Lockdown and the teacher's flexible plan when it comes to an active shooter scenario. A communication plan also needs to be reviewed for all drills: emergency (earthquake), fire, shelter in place, lockdown, and active shooter. Needed are drills with police presence to give feedback to have refinements made. Needed are drills that take place at different times and scenarios. This requires additional staff time.</p>
<p><b>Other Key Findings:</b> What does your overall data show regarding progress towards goals?</p>	<p>Need to: (1) identify multi-tiered interventions as specified in a PBIS model, (2) school wide procedures on scholarly habits and corresponding parent ed, (3) growth mindset lessons for students. Dojo can help with educating parents on growth mindset via Dojo characters and give quick mini lessons to students via Dojo app.</p>

## GOAL 3 Data Review

As you review your Goal 3 data, consider your school's performance relative to the districtwide averages and previous year performance. These may require reviewing data from previous years or accessing additional data. Respond to the following key questions:

Key Questions	Analysis
<p><b>Highlight Strengths:</b> Which data reflected strengths for your school?</p>	As an elementary school, this goal is much more difficult to measure and set goals. What the focus has been is on educating parents via 10 Commandments offers before and after school throughout the year. The purpose of this parent ed is for parents to understand a-g requirements and how to navigate the school system.
Which prior year action steps have contributed to these areas of strength?	The ongoing parent ed has made parents more aware of a-g and an awareness that college/university is within reach.
<p><b>Highlight Areas for Growth:</b> Which data reflected areas of growth needed for your school?</p>	Overall data shows a need to continue to make parents aware of college/university requirements and to build an awareness for students that college/university is a goal.
How will these areas for growth be addressed in your action steps and supported by your school's budgeted expenditures? (new or refined programs, strategies, activities, etc.)	Money will be set aside to purchase college flags of where staff has earned degrees.
<p><b>Other Key Findings:</b> What does your overall data show regarding progress towards goals?</p>	Our school is focused on this data as well qualitative data to determine and assess college readiness.

**School Plan for Student Achievement Annual Evaluation**

Pursuant to California Education Code Section 64001(g), the School Site Council (SSC) must evaluate at least annually the effectiveness of planned activities. In the cycle of continuous improvement of student performance, evaluation of the results of goals will provide data to inform and guide subsequent plans. The school must be able to provide evidence of the evaluation process to determine if the needs of students are being met by the strategies described in the SPSA.

Section	Annual Evaluation Summary Description Use the guiding questions above and provide a summary response for each area of evaluation.
<b>Plan Priorities</b>	<p>Last School Year: Writing (end of year May 2018)</p> <p>the As per the SSC Meeting Minutes of May 22, 2018, previous priorities corresponding to each district goal were reviewed including strategies/activities (action steps) and appear on page 1-2 of the SSC Meeting Minutes of May 22, 2018. On May 22, the SSC committee wanted to focus on school-wide writing procedures including recognition/celebration "for learning" as per the Imagination Machine website. The priorities will include revisiting writing with staff via collaboration w/TOSA and/or staff meetings and lesson studies. The Imagination Machine website will be looked at as a resource to promote writing procedures, Author Celebration for the year). See attached list of recommended books per month.</p> <p>This Year 2018-19: EL Prof. Staff Development &amp; Intervention</p> <p>In 2018-19 school year Brookhurst was selected for an EL Audit and participated in an EL Shadowing done twice this school year (2018-19). Based on baseline data taken in September 2019, teachers committed to giving EL students more opportunities to discuss, write and read. Follow up observations noted an improvement. Data charts from the EL Shadow training have been photographed, scanned and attached. Teachers have committed to using strategies as it appears on the EL profile sheet as an intervention happening during the school day.</p> <p>This Year 2018-19: PBIS Refining Tier 1</p> <p>In addition in 2018-19 school year Brookhurst has been refining Tier 1 Positive Behavior Intervention and Supports. The staff is identifying ways to recognize and celebrate both Academic (District Goal 1) and Personal Skills (District Goal 2).</p>
<b>Plan Implementation</b>	As of 2017-18, teachers on SSC wanted to review writing (via the resources presented in the Imagination Machine website, and Author Celebration) :

	<p>Staff meetings, ILT and collaboration could focus on reviewing/clarifying writing procedures which could then be presented as a school assembly. SSC would also like to establish an Author Celebration and/or Author Recognition per writing genre as a way to promote the idea of a growth mindset where students set individual goals and reflect on progress attained. Student motivation would also be addressed via a school-wide assembly referenced earlier called Imagination Machine.</p> <p>Teachers on SSC and principal will survey teachers to determine if resources such as Imagination Machine is an area of interest.</p>
<b>Strategies and Activities</b>	SBAC data shows a continual improvement. This improvement is bigger when the Mild-Moderate student subgroup is filtered out. This 2018-19 school year will be the first year to show SBAC data with students from Brookhurst and not MM students throughout the district who attend Brookhurst.
<b>Involvement/ Governance</b>	Through calendared SSC, ELAC and Staff Meetings at the start of the year, a SSC timeline of subjects was given to advisory committees such as ELAC. The advisory committee (ELAC) gave input based on the timeline and this input was shared SSC committees. The plan was monitored throughout the year via calendared meetings (SSC, ELAC, ILT, Staff Meetings and collaboration time). Both ELAC and SSC are represented by Vietnamese and Spanish-speaking parents (which are our two biggest subgroups or stakeholders). Monitoring of planned activities takes place at SSC, ELAC, ILT, Staff Meetings and via collaboration time. All questions asked on this annual evaluation is already addressed via the SSC meeting minutes and other parts of the SPSA (action steps). To truly help stakeholders keep goals and the corresponding action steps at the forefront requires less filling out of forms. The committee used the guiding questions provided above and the focus became on filling out this form. All parents and teachers at the May 22 meeting expressed a need for less paperwork when monitoring the plan. The action steps in the SPSA (including the data analysis )and the input from committee members via SSC Meeting Minutes allows all to see the priorities and input.
<b>Outcomes</b>	The data analysis section shows goals met via each grade level based on SBAC.

## School Parental Involvement Policy: 2018-19

### **Involvement of Parents in the Title I Program & Building Capacity for Involvement**

Our school engages parents in meaningful interactions with the school. It supports a partnership among staff, parents, and the community to improve student academic achievement. The state identified twelve requirements, which have been organized into six categories based on the framework of six types of parental involvement: parenting, communicating, volunteering, learning at home, decision making, and collaborating with the community. To help reach these goals, and involve parents in the Title I program at our school, the following practices have been established:

#### **PARENTING: Help all families establish home environments to support children as students.**

- 1. Our school convenes an annual meeting to inform parents of Title I students about Title I requirements and about the right of parents to be involved in the Title I program. Our school provides parents of Title I students with timely information about Title I programs.**
- 2. Our school offers a flexible number of meetings for Title I parents, such as meetings in the morning or evening, including multiple opportunities for parent education programs.**

The school provides parents with information about the school's participation in and the requirements of programs such as, Title I, English Learners (EL), Special Education, Gifted and Talented Education, and the LEA plan. The school organizes opportunities for parents to be involved throughout the school year. Information regarding the school's programs and their rights to be involved will be distributed to parents at the beginning of the school year. The school will schedule ongoing parent meetings to disseminate information regarding Title I and other school programs.

Color coded calendar lists all the parents workshops and meetings for the school year. The color coded parent workshop/meeting calendar is attached.

#### **COMMUNICATING: Design effective forms of school-to-home and home-to-school communications about school programs and children's progress.**

- 3. Our school distributes information related to school and parent programs, meetings, and other activities to Title I parents in a format and language that the parents understand.**
- 4. ACCESSIBILITY: The school provides opportunities for the participation of all Title I parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students. Information and school reports are provided in a format and language that parents understand.**
- 5. Our school has developed a written Title I parental involvement policy with input from Title I parents. It has distributed the policy to parents of Title I students. The policy describes the means for carrying out Title I parental involvement requirements [20 USC 6318 Section 1118(a)-(f) inclusive].**

Parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students, identify their home language and preferred correspondence language during school registration. For language needs exceeding 15% of the school population, information will be made available in those languages. All

notices, flyers, newsletters, etc., are translated by either school staff or the translators at the ARC. School community liaisons are available to provide interpretation for parent meetings, parent conferences, and other activities at the school site.

The school developed the policy with parent input gathered through surveys, parent meetings, School Site Council meetings, input from parents shared with teachers at Back To School and Open House.

- The school distributes the policy at back-to-school night in September

### **VOLUNTEERING: Recruit and organize parent help and support.**

**6. Our school provides support for parental involvement activities requested by Title I parents.**

**7. With the assistance of Title I parents, the school educates staff members about the value of parent contributions, and in how to work with parents as equal partners.**

Parents will be provided with information on how to become involved in school or district parent governance committees, parent organizations, parent education groups, or other parent volunteer opportunities.

Parents are personally invited to various workshops by our community liaisons. The teachers give input as to which parents to invite and the liaisons make the calls.

### **LEARNING AT HOME: Provide information and ideas to families about how to help students at home with homework and other curriculum-related activities, decisions, and planning.**

**8. Our school provides parents of Title I students with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet.**

**9. Our school provides Title I parents with assistance in understanding the State's academic content standards, assessments, and how to monitor and improve the achievement of their children. Our school provides parents with materials and training to help them work with their children to improve their children's achievement.**

Teachers explain the curriculum and assessments used to measure student progress at Back-To-School Night and parent-teacher conferences. The principal will share additional information with parents during other parent meetings.

Parents receive information on curriculum and assessments via the ongoing workshops throughout the year: 10 Commandments and PESA. In addition, ELAC meetings are an opportunity to inform parents of new assessment taking place of CELDT and other upcoming assessment, instructional strategies and content standards.

### **DECISION MAKING: Include parents in school decisions, developing parent leaders and representatives.**

**10. If requested by parents of Title I students, the school provides opportunities for regular meetings that allow the parents to participate in decisions relating to the education of their children.**

**11. Our school involves parents of Title I students in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I programs and the Title I parental involvement policy.**

The review of the School Parental Involvement Policy is included as part of the annual review of the School Plan for Student Achievement (SPSA). The policy is updated periodically to meet changing needs of parents and the school. The school has a process in place for involving parents in planning and designing the school's programs, the school may use that process if it includes adequate representation of parents of Title I children [20 USC 6318 Section 1118(c)(3)]. The district provides a timeline for requirements related to Title I, parent involvement, SSC and ELAC topics to be discussed, as well as the process of reviewing and developing the SPSA, including this parental involvement policy.

he school invites parents to participate on the School Site Council and other parent committees. Parents are also involved in the development of the school plan and are given an opportunity to provide feedback into school actions through meetings and the annual parent survey. All parents are provided all scheduled ELAC/SSC meeting dates at the start of the year.

## **COLLABORATING WITH THE COMMUNITY: Identify and integrate resources and services from the community to strengthen school programs, family practices, and student learning and development.**

### **12. Our school coordinates and integrates the Title I parental involvement program with other programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children.**

The District's Parent and Community Outreach Department provides guidance, support, and training to parents, teachers, administrators, and support staff. The activities of the Parent and Community Outreach include:

- Providing professional development opportunities in parent education programs
- Serving as a link to parent and community resources
- Developing and encouraging high-quality parent programs and parental involvement opportunities at school sites
- Coordinating parent education and community outreach meetings

Our school has designated staff and/or school-community liaisons that provide outreach to families, serve as a resources for parents, and collaborate with the community to support parents and families. The district and school have partnerships with community agencies to offer afterschool programs, counseling and mental health services, health and safety programs, and tutoring programs that serve to support student learning and development.

## **SCHOOL-PARENT COMPACT**

**Our school distributes to parents of Title I students a school-parent compact. The compact, which has been jointly developed with parents, outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. It describes specific ways the school and families will partner to help children achieve the State's high academic standards. It addresses the following legally required items, as well as other items suggested by parents of Title I students.**

- **The school's responsibility to provide high-quality curriculum and instruction**
- **The ways parents will be responsible for supporting their children's learning**
- **The importance of ongoing communication between parents and teachers through, at a minimum, annual parent-teacher conferences; frequent reports on student progress; access to staff; opportunities for parents to volunteer and participate in their child's class; and opportunities to observe classroom activities**

**[Upload a copy of the compact to DTS.]**

The activities of the Parent and Community Outreach include (1) Providing professional development opportunities in parent education programs, (2) Serving as a link to parent and community resources, (3) Developing and encouraging high-quality parent programs and parental involvement opportunities at school sites, and (4) Coordinating parent education and community outreach meetings.
- Tutors are provided for the Advancement Via Individual Determination (AVID) program in grades 7-12 and other self-regulatory programs.
- The Boys & Girls Clubs of Garden Grove provides after school programs (ASES and ASSETs) and Mc-Kinney-Vento services.
- Title I funds are utilized to support the 10<sup>th</sup> and 11<sup>th</sup> grade administration of the PSAT. SAT preparation classes are offered to all high school juniors at a reduced rate.
- Intervention teachers and supplementary intervention curriculum materials have been funded to support students who are most at-risk. These teachers and materials have been funded to provide additional intensive supports and effective interventions to help all students meet the state academic standards. Funds will also be used for the development and implementation of Alternative Programs to increase opportunities for students in meeting academic standards and high school graduation requirements.

### INDIRECT SERVICES (K-12)

- The Departments of K-6 and 7-12 Instruction and K-12 Educational Services coordinate centralized and district resources to assist each school in meeting project requirements and providing quality programs.
- The Office of K-12 Educational Services provides information regarding budget categories, legal expenditures, and compliance.
- The Assessment and Registration Center (ARC) assists principals and individual teachers in providing assessments, translation, personnel, materials, and staff development to meet the needs of English Learners.
- Counselor on Special Assignment (COSA) provides guidance for counselors, supplemental counselors, and administrators regarding placement, A-G and graduation requirements. COSA organizes and plans implementation of various programs related to college readiness, such as PSAT/SAT prep classes, AP, and scholarships. COSA also plans and implements support services for at-risk students, such as credit recovery, summer school, and academic review.
- The Department of Evaluation and Research assists schools in evaluating their ongoing programs as well as assisting with appropriate testing and year-end evaluation procedures.

## **GENERAL FUNDED DISTRICT SERVICES FOR STUDENTS (K-12)**

- All English Learners receive an English language development program designed to meet their instructional needs.
- Upon request of the school, a district worker from the Office of Student Services makes home calls as needed regarding health, attendance, etc.
- The vocal music teacher provides music experiences to students in grades 1-6.
- Instrumental music instruction is offered to students in grades 4-6.
- Students are screened for health problems and referred to appropriate services as necessary. At the elementary level, a district health assistant provides health services for 3 hours per day.
- At the elementary level, parent conferences are regularly scheduled to inform parents of student progress and to aid them in assisting their children at home, and at the secondary level conferences are scheduled as needed to inform parents of student progress towards graduation.
- The Speech and Language pathologist screens students referred by the teacher and/or Student Study Team. The pathologist consults with the teacher regarding the speech and language needs of students.
- Following Student Study Team meetings and referral for assessment, a school psychologist coordinates assessment for students and makes appropriate recommendations to an IEP team.
- Students who qualify for special education may receive instruction and/or designated services following the recommendation of an IEP team.
- The Office of Special Education coordinates services of the speech and language pathologists, school psychologists, adapted physical educational teachers, and other appropriate services in identifying and providing services for individuals with exceptional needs.
- Gifted and Talented Education assists principals and individual teachers in identifying and providing for the needs of gifted and talented students.
- Other district services (i.e. music, art, libraries) supplement the school site's base program as appropriate to the school's needs and plans.

#### SECTION E: ESTABLISHMENT OF THE SCHOOL SITE COUNCIL (SSC)

**\*RECORDS MUST BE RETAINED FOR 3 YEARS**

At elementary schools, the council must be constituted to ensure parity between (a) the principal, classroom teachers and other school personnel and (b) parents of pupils attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must, in addition, be equal numbers of students and parents or other community members selected by parents. Teachers, other school personnel, parents and (at secondary schools) students select representatives to the council (Education Code 52012). The Council must have at least 10 members at elementary sites and 12 members at secondary sites.

Composition of an Elementary School Site Council	Describe each of the following steps in the establishment of the school site council (Education Code Section 52012). Note that replacement of school site council members must be through peer selection, not appointment, unless the replacement is for the remainder of the school year.
 <p>Parents or Community Members</p> <p>Principal 1</p> <p>Teachers 3</p> <p>Other Staff 1</p> <p>5</p>	<p><b>a. Peer selection process:</b> The council shall be composed of the principal and representatives of teachers selected by the school, other school personnel selected by other personnel at the school, parents of pupils attending the school selected by such parents, and in the secondary school, pupils selected by pupils attending the school. The peer selection process may include:</p> <ol style="list-style-type: none"><li>1. <u>Ballot By Mail:</u> In a letter, we include a form for self-nomination. After all the nominations have been received, a ballot is sent home with all students for parents to vote. Parents from last year's SSC handle this process and count the ballots.</li><li>2. <u>Back To School Night Election:</u> In the letter, we include a form for self-nomination. After all the nominations have been received, parents and school personnel are informed that the election will be held prior to Back To School Night, stating the date and time. Ballots are prepared and a voting station set up for parents and guardians to vote. Parents from last year's SSC count the ballots.</li></ol> <p><b>b. Members' terms of office:</b> Members will serve one- or two-year terms.</p> <p><b>c. Procedure for replacing a member:</b> The procedure for replacing a member shall be pre-determined. Recommended procedures include:</p> <ol style="list-style-type: none"><li>1. Mid-year elections may be held.</li><li>2. Members are replaced using a peer selection process.</li><li>3. Volunteers may be asked to complete the year, a replacement will be appointed, and elections will be held in October of the following school year.</li></ol>

#### SECTION E: ESTABLISHMENT OF THE ENGLISH LEARNER ADVISORY COMMITTEE (ELAC)

**\*RECORDS MUST BE RETAINED FOR 3 YEARS**

Each school with 21 or more English learners (EL) in attendance, regardless of language, must form a functioning English Learner Advisory Committee (ELAC) or subcommittee of an existing advisory committee. Education Code (EC) 62002.5 establishes the regulations that govern the ELAC.

<p><b>Composition of English Learner Advisory Committee</b></p> <p><b>COMPOSITION REQUIREMENTS</b></p> <p>The percentage of parents of English learners on the committee must be the same or greater than the percentage of English learners at the school. There is no guidance that dictates the size of the committee, but should be of adequate size to fairly represent the population of English learners attending the school.</p>	<p><b>Describe each of the following steps in the establishment of the English Learner Advisory Committee (Education Code Section 62002.5).</b></p> <p><b>a. Voting Process by parents of English learners:</b> An election is held in which all parents of English learners have an opportunity to vote and in which the parents or guardians of English learners elect the members of the committee. The peer selection process may include:</p> <ol style="list-style-type: none"><li>1. <b>Ballot By Mail:</b> In the letter, we include a form for self-nomination. After all the nominations have been received, a ballot is sent home with each English learner for parents to vote. Parents from last year's ELAC handle this process and count the ballots.</li><li>2. <b>Voice Vote:</b> In the letter, we encourage all parents and school personnel to attend a meeting where information about ELAC will be provided and elections will be held at the school site. At this meeting, nominations are taken from the floor for ELAC membership and would be elected at that time by voice vote of parents and guardians of English learners. The required percentage of parents of English learners depends on the number of English learners at your school.</li><li>3. <b>Back To School Night Election:</b> In the letter, we include a form for self-nomination. After all the nominations have been received, parents and school personnel are informed that the election will be held prior to Back To School Night, stating the date and time. Ballots are prepared and a voting station set up for parents and guardians of English learners to vote. Parents from last year's ELAC count the ballots.</li></ol> <p><b>b. ## SECTION F: PLAN APPROVAL PAGE

The school site council (SSC) recommends this school plan and Proposed Expenditure(s) to the district governing board for approval and assures the board of the following:

1. The school site council is correctly constituted and was formed in accordance with district governing board policy and state law.
2. The school district assures “that school site councils have developed and approved a plan, to be known as the School Plan for Student Achievement, for schools participating in programs funded through the consolidated application process, and any other school program they choose to include.”
3. School plans must be developed “with review, certification, and advice of any applicable school advisory committees.” The school site council sought and considered all recommendations from the following groups or committees before adopting this plan (Check all those that apply):

- X English Learner Advisory Committee
- Community Advisory Committee (CAC) for Special Education Programs
- Gifted and Talented Education Program Advisory Committee
- Other : e.g., School Safety Planning Committee, District/School Leadership Team (DSLTL)

4. Any plans required by programs funded through the consolidated application must be consolidated into a School Plan.
5. The content of the plan must be aligned with school goals for improving student achievement.
6. The school site council reviewed the content requirements for school plans of programs in this School Plan for Student Achievement and believes all such content requirements have been met, including those found in district governing board policies and in the LEA Plan.
7. The plan must address how Consolidation Application funds will be used to improve the academic performance of all pupils to the level of the performance goals.
8. The plan must be “reviewed annually and updated, including proposed expenditures of funds allocated to the school through the consolidated application, by the school site council.”
9. This school plan is based upon a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated goals to improve student academic achievement. School goals must be based upon “an analysis of assessment data and the English Language Development test, and may include any data voluntarily developed by districts to measure pupil achievement.”
10. The school site council reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the school plan requiring board approval.

**This school plan was adopted by the school site council at a public meeting on: May 16, 2019**
