A. Section 4, page 1 states: 4. Modifications. Changes in or additions to any of the bid documents, summary of the work bid upon, alternative proposals, or any other modifications which are not specifically called for by the District may result in the District's rejection of the bid as being nonresponsive. No oral, telephonic, facsimile or electronic modification of any of the bid documents will be considered.

The district will not entertain alternate bid proposals at this time. However, depending on the nature of the alternate proposals, amendments can be made to the final agreement.

Q. Bid Objective, page 1 states that GGUSD will specify point of origination, points of destinations and point of return. Can you further clarify this?

A. Beginning in school year 2016-17, the district will be establishing all home-to-school routes for its Special Education students. Point of origin will be the students' homes; points of destination would be the school site, community-based instruction, field trip(s), or any other destination as dictated by the school district; point of return will be the students' home.

Q. Are there any driver uniform requirements?

A. At this time, the district does not have driver uniform requirements.

Q. Bid Form – Can you clarify what the “Total Daily Rate Cost for Students” is? Is this a daily rate per bus, per day if submitting a bid for all routes? Price sheet is not requesting a daily rate per bus by bus size for any bid, is this correct?

a. Pricing sheet does not have a place to enter an over hour charge?

A. Please see revised Bid Form Price Sheet attached.
