Agenda Item 6 – A: Resolution No. 12 – Lease/Lease-Back – Twenty Schools

Education Code Section 17406 authorizes the governing board of a school district, without advertising for bids, to lease district owned property to any person, firm or corporation for a minimum of \$1 per year as long as the instrument by which such property is let requires the other party to construct (or provide for the construction of) a building, buildings or improvements upon the subject property, and the title to the subject property (including building or improvements) vests in the school district at the expiration of the lease. The district leases the property (or sections of the property) to a contractor/developer, who builds or improves the property and receives lease payments from the district until the school improvements are paid off (Lease/Lease-Back process).

A resolution is required by the governing board to authorize a series of inter-related agreements which will allow the execution and delivery of site leases, subleases, and construction services agreements, and other acts related to the construction/improvements at 19 elementary schools and Mark Twain School. The construction includes infrastructure and other improvements to the schools during the 2013-14, 2014-15, 2015-16 school years. Plans and specifications have been approved by the California Division of State Architects for each project. The district requested proposals and qualifications from interested builders and contractors for the improvements, and recommends the accompanying list.

It is recommended that the Board adopt Resolution No. 12 which authorizes the execution and delivery of site leases, subleases and construction services agreements, and other acts related to the construction of the Allen Elementary School Project, Barker Elementary School Project, Carrillo Elementary School Project, Carver Elementary School Project, Cook Elementary School Project, Crosby Elementary School Project, Eisenhower Elementary School Project, Faylane Elementary School Project, Gilbert Elementary School Project, Morningside Elementary School Project, Murdy Elementary School Project, Parkview Elementary School Project, Patton Elementary School Project, Post Elementary School Project, Riverdale Elementary School Project, Stanford Elementary School Project, Stanley Elementary School Project, Violette Elementary School Project, Woodbury Elementary School Project, and Mark Twain School Project.

On motion of Trustee _____, seconded by Trustee _____, and _____, the Board of Education adopted Resolution No. 12 that authorized the execution and delivery of site leases, subleases and construction services agreements and other acts related to the construction of the services agreements and other acts related to the construction/improvements at Allen Elementary School Project, Barker Elementary School Project, Carrillo Elementary School Project, Carver Elementary School Project, Cook Elementary School Project, Crosby Elementary School Project, Eisenhower Elementary School Project, Faylane Elementary School Project, Gilbert Elementary School Project, Morningside Elementary School Project, Murdy Elementary School Project, Parkview Elementary School Project, Patton Elementary School Project, Post Elementary School Project, Riverdale Elementary School Project, Stanford Elementary School Project, Stanley Elementary School Project, Violette Elementary School Project, Woodbury Elementary School Project, and Mark Twain School Project.
