APPROVAL OF CLASSIFICATION ACTIONS

7.1 New Positions – Instructional Aide – Bilingual Spanish (2 positions – Russell)

It was moved by Commissioner Franks, seconded by Commissioner Flatebo to approve the classification of the new positions as listed above, effective January 4, 2017. The motion passed 3-0.

ORDERING OF EXAMINATIONS

8.1	Food Service Manager	Promotional
8.2	Lead Custodian	Promotional
8.3	Lead Technology Assistant	Promotional
8.4	School Testing Assistant	Open

Commissioner Flatebo inquired on a portion of the Lead Technology Assistant bulletin that refers to “serving as a resource to staff, students and parents”. Commissioner Flatebo did not realize that Lead Technology Assistants are expected to work with parents as well. Director Seymour stated that the interaction with parents is more prevalent at the high school level where there are parent-led booster clubs and related organizations. Assistant Superintendent Armitage commented that often times Technology Assistants receive inquires from parents on Aeries parent portal issues and related login issues.

Technology Assistant Linda Elliott commented that often times parents inquire about software, learning websites and applications as well as recommendations on technology purchases, such as computers, tablets, etc.

Network Technician Edgar Delamora commented that all Technology Assistants in general are approached by parents on technology related matters, in particular during periods of student examinations.

On a separate note, Assistant Director Smith commented that it is nice to see three promotional recruitments. Additionally, the Accounting Technician II eligibility list was finalized today, which was also promotional.

It was moved by Commissioner Franks, seconded by Commissioner Flatebo to approve the ordering of the examinations as listed above and the ratification of the resulting eligibility lists. The motion passed 3-0.

RATIFICATION OF ELIGIBILITY LISTS

9.1	HVAC Technician II	Open
9.2	Programmer Analyst	Open
9.3	Translator/Interpreter – Bilingual Spanish	Open
9.4	Translator/Interpreter – Bilingual Vietnamese	Open

Director Seymour acknowledged HVAC Technician II Joe Ragusa for his assistance in the HVAC Technician II examination process. Mr. Ragusa served as a subject matter expert and also served as an oral rating exam panel member.

Mr. Ragusa commented that the entire examination process is a lot of work for all of those involved and can be stressful, but was happy to provide assistance.

Commissioner Franks commented that Mr. Ragusa’s participation in this recruitment was greatly appreciated.

Assistant Director Smith added that as a result of Mr. Ragusa’s participation, his department likely feels more invested in the list of eligible candidates knowing their input was taken into account.

It was moved by Commissioner Franks, seconded by Commissioner Flatebo to ratify the eligibility lists as listed above, effective January 4, 2017. The motion passed 3-0.

OTHER BUSINESS

10.1 Commissioners

Commissioner Franks extended his wishes for a Happy New Year to everyone. Commissioner Franks inquired as to the status of the full day Kindergarten program. In particular, Commissioner Franks inquired as to how students are handling going to school all day and how teachers are managing their attention spans.

Assistant Superintendent Armitage stated that the full day kindergarten program is going very well and that teachers are seeing the benefits. Additionally, approximately 90% of district teachers believe that most Kindergarten students are reading and writing by the end of the first quarter. The extra instructional time is paying off and the benefits are being realized by the students. District data shows that students

performed better at the end of the recently completed first quarter as opposed to the 2015/2016 school year. Assistant Superintendent Armitage added that the Office of K-6 Instruction laid much of the groundwork on developmental kindergarten activities. Developmentally appropriate games and play had previously been taken away due to the state's strict standard-based guidelines and a shorter instructional day. Students are now able to benefit from relaxation techniques and play. While there is no nap time for Kindergarten students, they do get to rest and play developmentally appropriate games in the afternoon. In terms of the program overall, teachers were impressed by how quickly the all day kindergarten program was staffed. Additionally, during contract maintenance with the teachers' bargaining group (GGEA), there have not been any teacher concerns regarding the full day kindergarten program.

Commissioner Tortolano inquired as to whether Kindergarten students take state standardized tests or if teachers are preparing them for standardized tests in first grade.

Assistant Superintendent Armitage stated that teachers are preparing Kindergarten students for standardized tests administered in first grade.

Assistant Superintendent Armitage stated that district students adapted quickly to their all day schedule. Additionally, Assistant Superintendent Armitage cited a national research stating that children of poverty, and in particular Latino children, greatly benefit from an all day Kindergarten program. Our district is comprised of 68% Latino students which was compelling enough data for the district to adopt a full day Kindergarten program. Additionally, many of the surrounding districts have had all day Kindergarten programs implemented for a couple of years.

Director Seymour commented that some children adapt quickly due to attending a full day pre-school or day care program prior to entering Kindergarten.

Commissioner Tortolano inquired as to whether Kindergarten students have the same instructional schedule as students in other grades, to which Assistant Superintendent Armitage confirmed.

Commissioner Flatebo commented that she is looking forward to attending the Supervisory Dinner on January 28, 2017. Commissioner Flatebo is also looking forward to attending the California State Personnel Commissioners' Association (CSPCA) state conference in San Francisco being held from January 26, 2017 through January 29, 2017.

Commissioner Tortolano added that she is also planning to attend the Supervisory Dinner.
