

Dictionary Illustrations

December 7, 2017
Course # 120717VAPA
Instructor: Matt Franklin
Audience: 7st-12th Grade Visual Arts Teachers
Location: Time: District Office SDR 3:30 – 5:00 pm
Limit: 30

Content Objective: Using illustration techniques, participants will use discarded dictionary pages for the foundation of a themed tempera painting. Color theory and composition will be discussed in this interactive hands on lesson.

Underwater Cubism

February 1, 2018
Course # 020118VAPA
Instructor: Matt Franklin
Audience: K-6th Teachers
Location: Time: District Office ACR 3:30 – 5:00 pm
Limit: 30

Content Objective: *In this lesson students will learn about cubism and one of the founding artists, Pablo Picasso. Students will identify the elements of shape and color, and how these two elements were used by Picasso to create pattern, contrast, balance and excitement.*

Metallic Pencil Portraits

February 8, 2018
Course # 020818VAPA
Instructor: Matt Franklin
Audience: 5th-12th Grade Teachers
Location: Time: District Office SDR 3:30 – 5:00 pm
Limit: 30

Content Objective: *In this lesson we will discuss portrait drawing and observation techniques. This will be a hands-on training using metallic colored pencils to create a monochromatic portrait on black paper. We will also be exploring the importance of value in using this unique medium.*

Crayon and Watercolor Resist: Fantastic Buildings

April 16, 2018

Course # 041618VAPA

Instructor: Matt Franklin

Audience: K-8th Grade Teachers

Location: Time: District Office SDR 3:30 – 5:00 pm

Limit: 30

Content Objective: *This hands-on lesson is inspired by the art of Van Gogh and the architecture of fantastic time periods. Students will work with crayon and watercolor to emphasize color, mood, value and contrast.*
